

# Benjina Paudyal

## Profile

I am a motivated and detail-oriented .NET developer with hands-on experience in C#, ASP.NET WEB API, ANGULAR, SQL, JavaScript and Android App. I will be completing my education by the end of May 2025 and am actively seeking a full-time opportunity to apply my skills in a professional environment. With a strong foundation in both backend and frontend development, I am eager to contribute to real-world projects, solve complex problems, and collaborate with experienced teams. I am adaptable, a quick learner, and thrive in both independent and team environments.

Thank you for considering my application. I look forward to the opportunity to contribute to your team and grow as a developer.
